# fascino naturale che racconta una storia

Natural charm which tells a story

**Yukon è un materiale che evoca un'atmosfera calda e accogliente, dal sapore giovane e contemporaneo. Attraverso le sue quattro tonalità suggerisce il fascino di una materia vissuta che racconta tutta la forza e la vitalità della natura.**

Yukon is a material which evokes a warm and cosy atmosphere with a fresh and contemporary flavour. Its four hues hint at the allure of lived materials, and depict all the force and vitality of nature
